DECEMBER ACTIVITIES

Ski Into The New Year

December 1 – 31

Strap on your snow boots and ski into the new year with the MAC!

The goal is simple: exercise as many times as you can this month. Each bout of exercise counts as a scan-in and the monthly goal is 1860 scan-ins. Now imagine snow slopes and a skier that represents all MAC members; we need to help the skier move from start line to finish line by continuing to scan-in throughout the month! A visual display will be posted in the MAC and on Channel 9I which will be updated regularly. Every 200 visits, all participants get entered into a prize drawing. The drawing will take place in the new year.

December 2 Since You Went Away

(1944, NR)

This heartwarming and soul-stirring portrait of life on the homefront during WW II is a magnificent picture that is rich in humor and poignant with heartbreak. Claudette Colbert heads an all-star cast, including Jennifer Jones, Joseph Cotton, Shirley Temple, Lionel Barrymore, and Agnes Moorehead in this beautifully produced David O. Selznick (The Paradine Case) picture that tugs at your heart.

December 9 Prancer

(1989, G)

A farm girl nurses a wounded reindeer she believes is one of Santa's, hoping to bring it back to health in time for Christmas. Her holiday spirit inspires those around her, something her disheartened father is having trouble understanding.

December 16 Keeping the Faith

(2000 - PG-13)

Ben Stiller and Edward Norton star in KEEPING THE FAITH, a sexy romantic comedy so fresh and funny, you'll fall head over heels in love! Jake Schram (Stiller) and Brian Finn (Norton) are single, successful, extremely popular guys who have been best friends since, well, forever. Now, Jake is a rabbi and Brian is a priest. Have faith -- this gem is going to steal your heart.

December 23 Edward Scissorhands

(2000, PG-13)

Once upon a time in a castle high on a hill lived an inventor whose greatest creation was named Edward. Although Edward had an irresistible charm, he wasn't quite perfect. The inventor's sudden death left him unfinished, with sharp shears of metal for hands. Edward lived alone in the darkness until one day a kind Avon lady took him home to live with her family. And so began Edward's fantastical adventures in a pastel paradise known as Suburbia.

December 30 Little Women

(2019 - PG)

Writer-director Greta Gerwig has crafted a Little Women that draws on both the classic novel and the writings of Louisa May Alcott. In Gerwig's take, the beloved story of the March sisters - four young women each determined to live life on their own terms - is both timeless and timely. The film stars Saoirse Ronan, Emma Watson, Florence Pugh, Eliza Scanlen, with Laura Dern as Marmee, and Meryl Streep as Aunt March.
