# ANNOUNCEMENTS & REMINDERS

## INDY 500 DATES:

**PRACTICE** May 12–15 & 18

**QUALIFYING** May 16–17

**CARB DAY** Friday, May 22

**LEGENDS DAY** Saturday, May 23

**RACE DAY** Sunday, May 24

Marquette utilizes a comprehensive, **holistic wellness model** grounded in eight interconnected dimensions to enrich residents' lives: **Emotional, Physical, Social, Intellectual, Spiritual, Vocational, Environmental and Health Care.**

These dimensions inherently overlap, offering multiple avenues for engagement. For example, an event attended for social connection might simultaneously provide a profound emotional or spiritual experience for another resident.

We leverage these eight categories to meticulously design and deliver a well-rounded, interesting and purposeful calendar of events tailored to meet the diverse needs and interests of our community.

## VOCATIONAL WELLNESS

According to LCS (Life Care Services), vocational wellness is defined as the ability to achieve personal satisfaction, enrichment and meaning from one's work, which includes both paid employment and volunteerism. It involves using one's unique talents, skills and life experiences to feel purposeful and appreciated, a need that persists throughout retirement. In May we celebrate all those residents who are doing exactly this. Sharing your time to bring programs to your fellow residents. You are what makes Marquette thrive.

## VOLUNTEER OPPORTUNITIES

### Literary Quarterly Submissions

Calling all writers! Poetry, essays, short stories wanted. Please, no political or religious submissions. Submissions are accepted ongoing.

*Contact Tracy Lyngholm  
317-524-6517*

### Passionate for Programs

Our calendar is fueled by the interests of our residents. Are you willing to share what you are passionate about and enjoy doing with the Marquette community?

With support from the Programs and Events Department, we can help **you develop your ideas** and support your enthusiasm as you bring new programs to the Marquette community.

Have fun starting a photography club, putting on a dramatic arts workshop, or hosting a monthly game night.

*You are only limited by  
the things you love to do.*

### Corner Shoppe Associates

Looking for a way to get involved? If you love greeting people and staying in the loop, then the Corner Shoppe is your spot. Volunteering is the perfect way to help out our community. We offer easy 2-hour shifts, Monday through Friday. The Vibe: High energy, big smiles and great company. Be the friendly face that turns a simple errand into the highlight of a neighbor's day.

**If this sounds like you, see Dee Bledsoe in the Programs and Events Office to join in our premier team of volunteers.**

## The Kindest Quilting Club at Marquette

*A word about the Quilting Club as told by Dorian Poole.*

The Quilt Club here at Marquette started when a lady, whose mother had been at Marquette, donated a Cross-stitch quilt top for us to finish. I got a group of ladies to meet once a week to cross stitch and finish the top. We had it machine quilted and raffled it off for the Marquette Foundation. Since that went so well we made a "Trip Around the World" quilt for last year's Gala. This year we are creating a totally different quilt using blocks from Doris McCall.

Would you like to join us? We are a very friendly group. Like my grandmother's quilting circle, visiting while we work is very important! We meet in the New Craft Room downstairs on the 4th Thursday of each month. We welcome anyone who is interested in quilting—newbies to old hands.
